

# Diploma in Civil Aviation Management

This diploma combines strategic aviation regulatory elements with operational considerations to address common concerns in air transport through the sharing of international best practices and Singapore experience. It provides you with an in-depth understanding of how the various components of the civil aviation industry function and integrate.

## WHAT YOU WILL LEARN:

Upon completion of this diploma, you will be able to:

- Understand the economic and non-economic drivers for airport regulators, airports and airlines
- Identify the common concerns and key trends in civil aviation development
- Identify the key considerations in policies making for the various civil aviation components
- Plan and execute the key deliverables to meet your national and organisation's needs
- Design policies to manage the industry's challenges

## PROGRAMME STRUCTURE

This programme comprises both compulsory and elective courses. You may select up to 2 compulsory courses and any elective course based on your profession or areas of interest. You have the flexibility to attend each chosen course based on your preferred sequence/schedule.

## FREQUENTLY ASKED QUESTIONS

*Q: I have completed some of the courses offered under this programme. Can I count them towards the diploma? For courses that I have attended that are beyond the candidature period, can I appeal for them to count towards the diploma?*

A: You can count eligible courses taken within a 3-year period for the diploma. Courses taken outside the candidature period will be reviewed on a case-by-case basis.

*Q: I had attended an on-site SAA course that was similar. Can these courses count towards the diplomas?*

A: Courses offered outside of Singapore by SAA with similar course content as those offered in SAA's Singapore campus may be counted towards the diploma. To enquire if your on-site training qualifies for the diploma, please write to [saa@caas.gov.sg](mailto:saa@caas.gov.sg).

*Q: Some of these courses are offered as core/electives under the diploma in Civil Aviation Management and Aviation Safety Management. Can the same course qualify for both diplomas?*

A: Yes, a course offered as a core or elective module under the respective programme can count towards both diplomas.

## CERTIFICATION

A Professional Diploma in Civil Aviation Management will be awarded to those who have successfully completed the compulsory course and chosen electives, as well as passed all examinations for the elective courses within the candidature period. Diploma holders may append the abbreviated form of the qualification "Dip. Civil Aviation Mgt." after their name.

## CANDIDATURE PERIOD

The programme is to be completed within 3 years, starting from the date of the first course. The total duration of compulsory and elective courses must add up to a **minimum** of 6 weeks.

## FEE

Please refer to the fee listed for the individual courses.

Alumni discounts are applicable for selected courses. Please refer to the individual courses for details.

All Singaporeans aged 25 and above may apply for the SkillsFuture Study Award for this diploma. For more information please refer to
